RED CROSS XMAS SEALS

Every seal you buy is a bullet in the fight against tuberculosis. It helps protect your country, your neighbor, your family and yourself from the disease and its cost.

Tuberculosis is our most destructive disease. One person out of every four in America who die between the ages of fifteen and fifty die from tuberculosis. It is a chief cause of poverty.

But it is preventable and conquerable. This war, man against disease, is a winning war—not a wasting war, man against man. It is The War That Pays—It Brings Prosperity.

Will you not enlist in this campaign by purchasing Christmas Seals?

These Seals may be had at the following public places:

St. Bernard Drug Store.
King's Drug Store.
Webb Bros. Grocery.
Earlington Bank.
Whitford's Hdw. Store.
Bee Office.

LEAVES FOR BOSTON TOMORROW MORNING

Trahern who has for a number of years been the local manager of the Drug Department of the St. Bernard Mining Co., has accepted a position with the United Drug Co. of Boston, Mass. and leaves for that city tomorrow morning. "CASCARETS" FOR A COLD, BAD BREATH OR SICK HEADACHE

Best for liver and bowels, for biliousness, sour stomach and constipation

Get a 10-cent box now.

Furred Tongue, Bad Colds, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gas, bad breath, yellow skin, mental fests, everything that is horrible and nauseating. A Cascaret tonight will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10 cent box from your druggist will keep you feeling good for months. Millions of men and women take a Cascaret now and then to keep their stomach, liver and bowels regulated, and never know a miserable moment. Don't forget the children—their little insides need a good, gentle cleansing, too.

FINDS NO REMEDY EQUAL TO TANLAC

William H. Howard Says He
Tried Everything Else
Without Help

Londonville, Ky., Dec. 9.—Wm. H. Howard, who lives at 225 W. Jefferson street, here, and is widely known as an advertising man, is one of those who declares he has been greatly benefited by Tanlac, the premier preparation.

"For a long time," he said recently, "I suffered from a catarrhal affection of the stomach, and I never have found anything which did me so much good as Tanlac. I had need pretty nearly everything before my friends recommended Tanlac to me. It helped me almost at once, and I am glad to offer public testimony to its value."

Chronic catarrh, which effects the mucous membranes, is one of the most prevalent and distressing maladies known. The trouble is almost universal. Offensive breath, conching, nervousness, sneezing, headaches, poor digestion, loss of appetite, no sound sleep and susceptibility to colds are among the results from the malady.

Tanlac has proved of special value in the treatment of catarrhal troubles. Hundreds have testified to the good it has done them. It is now being sold in This City and St. Charles Ky. at King & Sons drug store; in Mortons Gap, Ky. at Ben T. Robinson's drug store, and in Nortonville, Ky. at the City drug store.

MOTHER'S LEAGUE MEETS AT CHRISTIAN CHURCH ON NEXT SUNDAY

The Mothers' League will meet at the Christian church on next Wednesday afternoon, at which time all members are urged to be present. Miss Georgia Frederick, the county nurse, expects to be present and will help the ladies with some of their plans for future work.

For dyspepsia, our national ailment, use Doan's Back Blood Bitters. Recommended for strengthening digestion, purifying the blood. At all drug stores. \$1.00 a bottle.

The revival meeting being held at the Methodist Hill church closed last night, with several additions to the church. Large crowds have attended all through this meeting the few weeks it has been going on, and it is hoped that all were helped by the excellent sermons and truths, that the pastor Rev. Burton rendered.

GIRLS! DRAW A MOIST CLOTH THROUGH HAIR, DOUBLE ITS BEAUTY

Try this! Hair gets thick, glossy, wavy and beautiful at once.

Immediate?—Yes! Oer talp? that's the joy of it. Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a Danderine hair cleanse. Just try this—moisten a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt or excessive oil, and in just a few moments you have doubled the beauty of your hair. A delightful surprise awaits those whose hair has been neglected or is scraggy, faded, dry, brittle or thin. Besides beautifying the hair, Danderine dissolves every particle of Dandruff; cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair, but what will please you most will be after a few week's use, when you see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. If you care for pretty, soft hair, and lots of it surely get a 25c bottle of Knowlton's Danderine from any drug store or toilet counter and just try it.

AVIATING

Born on the morning of the 9th inst. to Mr. and Mrs. Roy Forrester, a boy baby of average size and satisfactory weight. Mother and son are doing well and Roy is soaring around somewhere in the seventh sphere of Heaven. A host of anxious friends are scrutinizing the firmament and impatiently awaiting his return to terra firma, which is expected at any hour.

One by one the onions fade, Swig by swig the jug goes dry, Year after year in changing grade Brand new babies wink and cry.

Don't wait for your teeth to ache, before visiting your dentist. If you do perhaps it will then be too late to prevent pain in filling them and may result in the loss of the teeth.

Mr. and Mrs. C. E. Barnett, who have been attending the Inaugural ball in Frankfort, have returned home.

Decay causes the teeth to ache therefore, to prevent decay you prevent pain. The best way to prevent decay or to stop decay is to keep the teeth clean. Twice a year is none too often to visit your dentist for a preventative treatment.

H. E. Nixon has just received a large supply of Blauke-Wenuecke candy in handsome packages suitable for Xmas gifts. They are priced from 10 cents to \$5.00. Call and see this line before making your purchases.

Two Different Effects

The quality of food is very largely determined by the ingredients in the baking powder with which it is made. Cream of tartar baking powders, such as Royal, add only healthful qualities to the food.

The cream of tartar of Royal Baking Powder as used in food has the same wholesome effect on the digestive system as the cream of tartar in grapes, from which it is derived.

On the other hand, it is in evidence that objectionable mineral residues exist in food made with alum or phosphate baking powders.

There is a clause on baking powder labels which names all the ingredients. Read it and let it guide you.

most acceptable sort.

That's the kind of a store we have—we sell the things that
men buy for their own use—and if you buy here you know
you get quality, satisfactory goods—at prices based on
value.
